Ideal for those who wish to rediscover serenity, wellbeing and a new lightness.

LYMPHATIC DRAINAGE MASSAGE (50 MINUTES)

Perfect for those who want to rediscover lightness, balance and a feeling of well-being.

DECONTRACTING MASSAGE (50 MINUTES)

A treatment designed to release deep tension and relieve muscle contractures. Targeted, firm movements act on the points of greatest tension, promoting muscle relaxation and improving body mobility.

Ideal for those who want to rediscover lightness, harmony and immediate relief.

SWEET CANDLE (50 MINUTES) – OUR MUST HAVE

A sensory experience designed to envelop the body and mind in a warm embrace of relaxation.

The massage candle, made with natural oils and precious butters, melts gently on contact with the skin, transforming into warm oil that deeply nourishes and softens. The enveloping and harmonious movements release tension, stimulate circulation and provide a sense of complete well-being.

The delicate scent accompanies every gesture, enhancing comfort and pleasure.

The Sweet Candle Massage is the ideal treatment for those who want to treat themselves to a moment of luxury and regeneration, letting themselves be carried away by a unique experience.

WELCOME MASSAGE (30 MINUTES)

A massage designed to welcome guests and prepare the body for a completely relaxing experience.

Targeted movements on the back relieve tension and muscle stiffness, promoting relaxation in the dorsal area and improving mobility.

Ideal as an introductory treatment for those who want to relax their muscles, reduce tension and begin their spa journey in total comfort.

NEW SKIN (30 MINUTES)

An exfoliating treatment that regenerates the skin, leaving it soft and smooth.

The ritual offers a choice between a scrub with Himalayan pink salt, known for its mineral and purifying properties, or a scrub with polenta flour, a tribute to the traditions of our Bergamo region.

The enveloping movements stimulate microcirculation, remove dead cells and leave the skin feeling comfortable and renewed.

Ideal for those who want a moment of care and regeneration, personalised according to their tastes and sensations.

PINDASWEDA (50 MINUTES)

An ancient Ayurvedic ritual that combines heat, manual techniques and selected plants for a profound wellness experience.

Small bags of herbs and spices are heated and gently massaged onto the body with rhythmic, enveloping movements. The heat and properties of the plants help release muscle tension, stimulate circulation and provide a sense of lightness and harmony.

Ideal for those who want to relieve stress and stiffness, regaining balance, vitality and complete regeneration.

DETOX RITUAL (50 MINUTES)

A treatment designed to give lightness and well-being to the legs.

Ideal for those who want lighter, more toned legs and a moment of regenerating care, in a complete sensory experience.

TIBETAN BELLS (30 MINUTES)

A multisensory experience that combines the power of sound with the delicacy of massage, designed to rebalance body, mind and spirit.

Tibetan bells, placed gently on the body or played nearby, emit harmonious vibrations that promote the release of deep tension and stimulate internal energy. The light and enveloping massage movements amplify the effect of the vibrations, promoting deep relaxation and a feeling of lightness.

The sound of the bells accompanies the breathing and energetic movement of the body, creating an atmosphere of calm and serenity.
